Cameroon Students Challenge *Kids* (CSCK) 2020**

**Explanatory Note for the Artistic Competition  
Special Edition of the  
Cameroon Students Challenge Kids (CSCK) 2020**

Make a drawing which best reflects your dream job. In about 20 years, what job do you think you will be doing? Which professional practice would provide you maximum joy and fulfillment?

Imagine that you are already doing that job and draw the environment it requires. For example, if you dream of becoming an airline pilot, imagine an airport, an aircraft, a cockpit, etc., and include in your drawing among the above elements those you think best reflect your profession.
